

**The Ben's Bells Project Presents . . .**

# The **BEN**evolent Brigade:

A flash mob with purpose

## What's the Deal?

We know that Tucsonans are **KIND** and want to give to their community but sometimes don't know how or feel that they don't have the time. The **BENevolent Brigade** is a fun, easy and inexpensive way to support our wonderful local non-profit organizations; both by donating needed items and by raising awareness of their missions.

## Getting Involved

Send an email to [bensbells@bensbells.org](mailto:bensbells@bensbells.org) asking to be added to the **BENevolent Brigade** list. Each month, you will receive an email letting you know the name of the featured organization, the location and the organization's wish list. Or connect with us on Facebook: Ben's Bells Project- **BENevolent Brigade**.

## On the third Friday of the month...

show up at the featured organization promptly at 4:30. Wear a funny hat or mask, if you'd like, to add to the incognito feel of the Brigade. Walk into the building with items from the wish list, place them on the pile and leave. That's it!

*The **BENevolent Brigade** is a wonderful opportunity for families to teach their children about needs in our community and to help all of us to feel more connected. Help us spread the word so that each **BEN-Brigade** drop will make a big impact!*

If you can't make the designated drop time, feel free to bring your donation to Ben's Bells up to three weeks before the drop date.
